CONTRACT ASSEMBLY SERVICES

AM General has honed its contract assembly expertise through programs like the HUMMER H2, MV-1, Mercedes-Benz R-Class and Ford Transit Connect BEV.

Whether it's the 675,000 sq. ft. assembly plant that AM General designed and built for the HUMMER H2 or the 17,000 sq. ft. SKD plant for the Ford Transit Connect BEV, AM General understands how to size a facility to meet our customers needs.

AM General has been assembling vehicles for over 100 years, as both an OEM with HUMMER and MV-1 and as a contractor with the Mercedes-Benz R-Class and the Ford/Azure Dynamics Transit Connect Battery Electric Vehicle (BEV). AM General's assembly solutions are comprehensive and customizable.

SERVICES INCLUDE:

- Complete vehicle assembly
- Semi Knock Down (SKD)
- Conversion
- Special edition and upfit service
- Operations management
- Human resource management

Regardless of volume or the type of services your company needs, we have the capability and flexibility to support the entire value chain.

AM GENERAL IS YOUR CONTRACT ASSEMBLY SOLUTION
