

HUMVEE®

2-CT™ AMBULANCE

U.S. MILITARY DESIGNATION: HMMWV M997A3 AMBULANCE

Rugged and resilient, the 2-CT™ Ambulance is an ambulance configuration of the HUMVEE family. Equipped with advanced armor protection, this combat ambulance is built to reliably transport casualties from the battlefield to medical aid stations.

Capable of transporting up to four litter patients, eight ambulatory patients—or a combination of both—as well as medical personnel, equipment and a driver, the ambulance is dependable in the face of danger.
