

HUMVEE®

4-CT™ ARMORED FASTBACK

U.S. MILITARY DESIGNATION: HMMWV M1167

With over 35 years of upgrades and improvements, iconic and proven HUMVEE vehicles are ready, robust, effective and affordable.

More than 300,000 HUMVEE vehicles have been distributed worldwide in over 70 countries and are the most critical vehicles in the fleet today. The 4-CT Armored Fastback provides a rugged chassis

combined with a powerful engine to handle armor kits. Ready to meet multiple mission sets, this vehicle is transportable and can be air dropped or sling loaded via helicopter.

Featuring a manual traversing TOW Gunners Protection Kit (TGPK), the 4-CT Armored Fastback is designed to readily integrate with ring-mounted TOW weapons systems.

READY NOW
WITH YOU IN THE FUTURE

Transportable by land, sea, air
Up-Armored
Rugged performance
Scalable protection
