4-CT™

U.S. MILITARY DESIGNATION: HMMWV M1165

With over 35 years of upgrades and improvements, iconic and proven HUMVEE vehicles are ready, robust, effective and affordable.

More than 300,000 HUMVEE vehicles have been distributed worldwide in over 70 countries and are the most critical vehicles in the fleet today. The 4-CT provides a rugged chassis combined with a powerful engine to

handle armor kits. Ready to meet multiple mission sets, this vehicle is transportable and can be air dropped or sling loaded via helicopter.

Designed with a heavy weight capacity, the flexible 4-CT can be configured for command and control or armed patrol missions, or as a special operations vehicle with additional weapon mounts and storage.
