

# HUMVEE® 4-CT™

U.S. MILITARY DESIGNATION: HMMWV M1165

Designed with a heavy weight capacity, the flexible 4-CT can be configured for command and control or armed patrol missions, or as a special operations vehicle with additional weapon mounts and storage.

With more than 300,000 vehicles worldwide, **parts commonality** and platform familiarity allows for easy maintenance anywhere in the globe

Features a rugged chassis and powerful engine designed for **scalable protection**, ensuring a dependable truck in the harshest, most demanding environments

Ready to meet multiple mission sets, this vehicle is **transportable** by land, sea, and air
